Old Guitar Magazines Wanted

I am needing access to the first ten years or so of the Vintage Guitar Magazine from 1986 to 1995, plus a few others from 1996 to 2003. I can either buy them from you or if you will loan them to me for searching I'll pay the postage to borrow them.

Likewise, if you have any old issues of Vintage Guitar or other guitar magazines, I would really appreciate it if you would search yours for any stolen guitar classified ads, articles or alerts not listed here, scan them and send it to Admin@StolenGuitars.US .

If you scan something to send, please scan the whole page it is on including the publication name and publication date if possible.

If you have a question or any information to share regarding any of these stolen guitars, please contact the owner listed if possible or email us at : Tips@StolenGuitars.US

To list your stolen guitar items here, send in an email with DESCRIPTIVE INFO including SERIAL NUMBER.

Sorry, submissions without a serial number will not be published.
If more than one guitar just list it all out. Banjos, basses, etc. ok. No amps or other gear.
